

2026/27 Swiss Benefits Survey

The participation window is open!

Maximize the impact of your employee benefits strategy in Switzerland with our new [Swiss Benefits Survey](#). The survey gives you a clear, data-driven understanding of the Swiss benefits market, empowering you to make informed decisions that enhance your employee experience.

What you'll get as a participant

- **A comprehensive assessment:** 200+ detailed questions across insured and non-insured benefits, plus the latest innovative offerings shaping the Swiss market.
- **Expert guidance included:** a complimentary executive summary plus a personalized consultation call with one of our Swiss benefits experts to help you interpret your results and identify opportunities.
- **Preferred pricing:** exclusive discounts on the full report and side-by-side benchmarking to compare your benefits program against market standards.
- **Options beyond Switzerland:** ask us about European and global benefits data if you want a broader view.

Choose the survey that fits your needs:

- **Swiss Benefits Survey (Full):** approximately 60 minutes for the most comprehensive view of Swiss benefits.
- **Swiss Wellbeing Survey:** a 30-minute option with a focused lens on employee wellbeing initiatives.
