In the past 12 months, where have people sought help?

We find it is more common for members to seek advice from Personal Connections, followed by MPF agents.

- Personal connections — family, friends and colleagues: 54.5%
- MPF agents — individuals or financial institutions: 42.5%
- Websites — MPFA, MPF providers and other financial websites: 39.5%
- No advice sought: 23.5%

Note: The figures above do not add up to 100%, as individuals can seek advice from multiple sources.
