

Upgrade your experience and enhance your benefits

with Benefits-One

Benefits-One™ is a comprehensive, cost-effective protection and medical plan that offers flexibility. It's designed for businesses with 2 to 250 employees, where broad coverage may otherwise be costly.

Why Benefits-One?

Being a small business doesn't mean small coverage

We know that small businesses have big hearts and want the best coverage and benefits for their employees. We're here to support that.

Comprehensive coverage, affordable fees

Getting comprehensive coverage often comes with a hefty price tag. And small businesses may not have the resources to obtain flexible coverage. We're here to change that.

Carefully curated, straightforward and simple

Deciding on what to insure and assessing your risks can be complex, but it doesn't have to be — Benefits-One is curated with small businesses in mind. We're here to point you in the right direction.

Key features

Stable premium

With a lock-in period of three years (from 2024 to 2026), small businesses can enjoy a stable premium for three years that won't be subject to loading.

Comprehensive coverage

Coverage includes term life, personal accident, critical illness, disability income, medical, dental, maternity and business travel.

Flexible choice

Employees can customize their coverage to fit their needs, with options to increase their coverage, pay additional premiums and/or even include eligible dependents.

Telemedicine

Available 24/7, telemedicine services deliver medical advice and support to your employees' doorstep, saving them the time and effort that physical consultations require.

Strong employee support

Dedicated employee hotlines from reputable insurers for queries regarding claims, coverage and other related topics.

Large benefits aren't limited to large corporations.
