

Mercer

Virtual Fair[®]

Engage employees with an interactive interface that promotes timely and meaningful decision support information. The Virtual Fair is loaded with great features our clients have come to love, including:

- Customizable interface to match your brand
- Information booth for company resources and messages
- Booth-o-Meter incentive tracking feature
- Multimedia embedding: Videos, podcasts, and webinars
- Built-in “ask a question” feedback tool (direct-to-email)
- Event calendar promotes key dates and activities
- Educational video library, with included Mercer videos
- Built-in site usage and analytics
- Year-round access

Additional options:

- Available with “Lite” and “Complete” content
- Password / Security
- Support for multiple versions and languages
